Between 33,33 and 50% of the original work from which is reproduced?

We have mandates of up to 50% of most publishers. Otherwise we will arrange the request and handling for you. Log in via stichting-pro.nl and follow the steps!

Stichting PRO will facilitate this for you. Please fill in the form via the portal. You will receive an e-mail whether the request is granted or not.

Monitoring?

Once every four years your institution will provide insight into the paper and digital use of copyright protected content. Stichting PRO will determine in consultation with the university how the monitoring will take place.
